

*Diamonds solid
to the KOR*

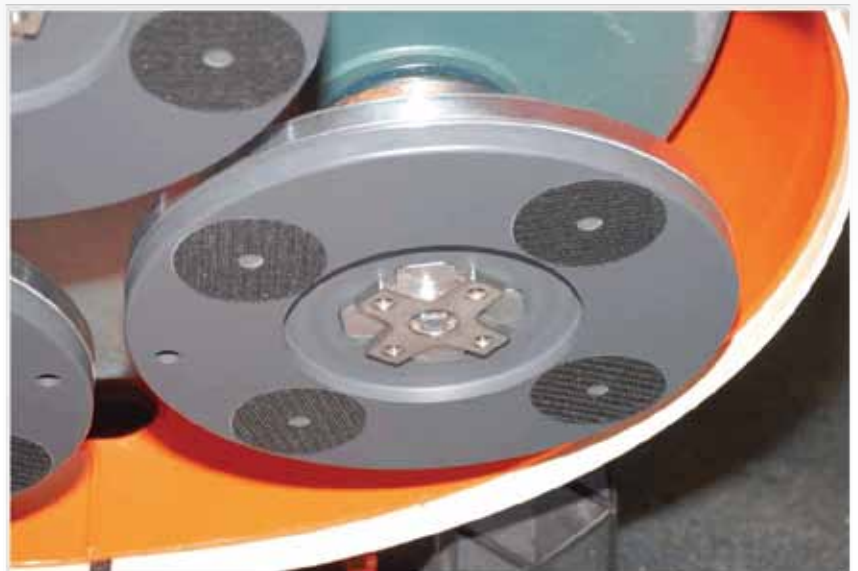

- Longest Life in the Industry
- Hard & Soft Concrete Matrix
- Metal Bond Diamonds
- Resin Bond Diamonds
- Coating Removal Diamonds

STONEKOR Diamonds give you the industries longest lasting concrete polishing diamond tooling. STONEKOR diamonds are designed to meet whatever need may arise be it coating removal, surface prep, or grinding, honing, and polishing concrete.

Grinding a floor before adding color or densifier, we have diamonds for that.

Creating profile so a coating will adhere or removing paint or epoxy coatings, we have diamond tooling for those jobs as well. STONEKOR Diamonds last longer and perform better. Even our diamond tooling is solid to the core.
